

DECLARATION LETTER

We hereby declare that Afore three phase BNT series inverters, when grid code G59 is selected, do not make of us AC rate of change of frequency (RoCoF) nor phase-vector-shift under a condition of “Loss of Mains” to perform the tripping/disconnecting from the Grid. Also when G59 is selected the frequency range of the inverters matches that required by G59.

Declared by Afore New Energy Technology (Shanghai) Co., Ltd.
